CALL FOR PAPERS 11th CSEAR Spain Conference

11th Spanish Conference on Social and Environmental Accounting Research
XI Reunión de Investigación en Contabilidad Social y Medioambiental

September, 6-8, 2017
Faculty of Economics and Business – University of Zaragoza, Zaragoza, Spain

Since 1997, the Centro de Investigación en Contabilidad Social y Medioambiental (CICSMA) http://www.upo.es/cicsma/ and the Centre for Social and Environmental Accounting Research (CSEAR) https://www.st-andrews.ac.uk/csear/ support the bi-annual Spanish Conference on Social and Environmental Accounting Research.

The Conference

aims to provide a forum for the discussion and promotion of research in social and environmental accounting. The Conference gives the opportunity to present emerging and advanced research papers and projects and to receive feedback from constructive discussions. This is a multidisciplinary Conference with a high level of interaction and debate in a friendly atmosphere.

The 11th CSEAR Spain Conference on Social and Environmental Accounting Research will be held between the 6th and 8th of September, 2017 at the Faculty of Economics and Business in the city of Zaragoza, organized by CICSMA and the University of Zaragoza.

For this 11th CSEAR Spain Conference, we are pleased to welcome **Prof. Jan Bebbington (University of St Andrews)** and **Prof. Roger Burritt** (The Australian National University), as our plenary speakers.

Submissions are welcome in **either Spanish or English**.
